### Please Print

<b>Names of Registrants:</b>
<b>Name(s) &amp; Number of Children Under 18:</b>
<b>Address:</b>
<b>City, State, Zip</b>
<b>Phone Number and Email Address</b>

### Free Additional Activity that is included in your registration:

The National Radio Astronomy Observatory (NRAO) will be offering specialized classes and use of the 40-foot radio telescope free to a limited number of people per class. This is important. You will receive classroom instruction on the objects they will be observing and the use of the radio telescope. NRAO will work with teams of ten, some will be during the day time hours and some will be at night. They will actually be able to collect real data that will be analyzed. There is no charge to participants for this program. NOTE: There are a limited number of participant classes. Please mark if you are interested in participating in these classes. YES\_\_ Total Person(s) \_\_\_ NO
